Scottish Charity No: SC 012294

MOBILIFT HIRE

We now have a manually-operated Mobilift CX lift that can raise wheelchair users to a height of 1.52m. We are offering this for hire to venues and organisations at a lower than commercial rate. The lift is easy to move, with the force required being equivalent to that needed to push a shopping trolley. Please get in touch if you'd like further information.

HIRE RATES

Daily rate: £100 + VAT

Weekend rate: £200 + VAT

Weekly rate: £350 + VAT

OTHER COSTS

Transport and insurance costs are the responsibility of the hirer.

OPERATION

- The lift is simple to operate manually, with easy-to-follow instructions located on the equipment
- Watch a quick video tutorial here: https://www.youtube.com/watch?v=vb4_KZAI3M0
- A full guide on operation and maintenance is available here: <http://www.adaptivelifts.com/pdf/MobiliftCXManual.pdf>

CONTACT

For further information and availability, please contact:

Iain McQueen, Head of Operations: iainmcq@queenshalledinburgh.org

The Queen's Hall would like to thank Prof John Dale, The Martin Connell Trust and The Russell Trust for their support in improving access to our stage in collaboration with Drake Music Scotland. Proud supporters of Drake Music Scotland's #LetMeONStage campaign fighting for equal access to stages for all performers
